WIFI

FederalTec Technologies offers scalable and customized solutions for corporate wireless networks based on the number of employees or users, kinds of devices, and the area of the offices, to guarantee the most gainful wireless solution for your business. A properly site survey is conducted to ensure that the WiFi solutions provided are:

- Cost -Effective
- Highly efficient
- Stable WiFi coverage 24/7

CCTV

CCTV

We provide you with fully-equipped surveillance networks featuring the latest security cameras and monitoring products in Dubai.

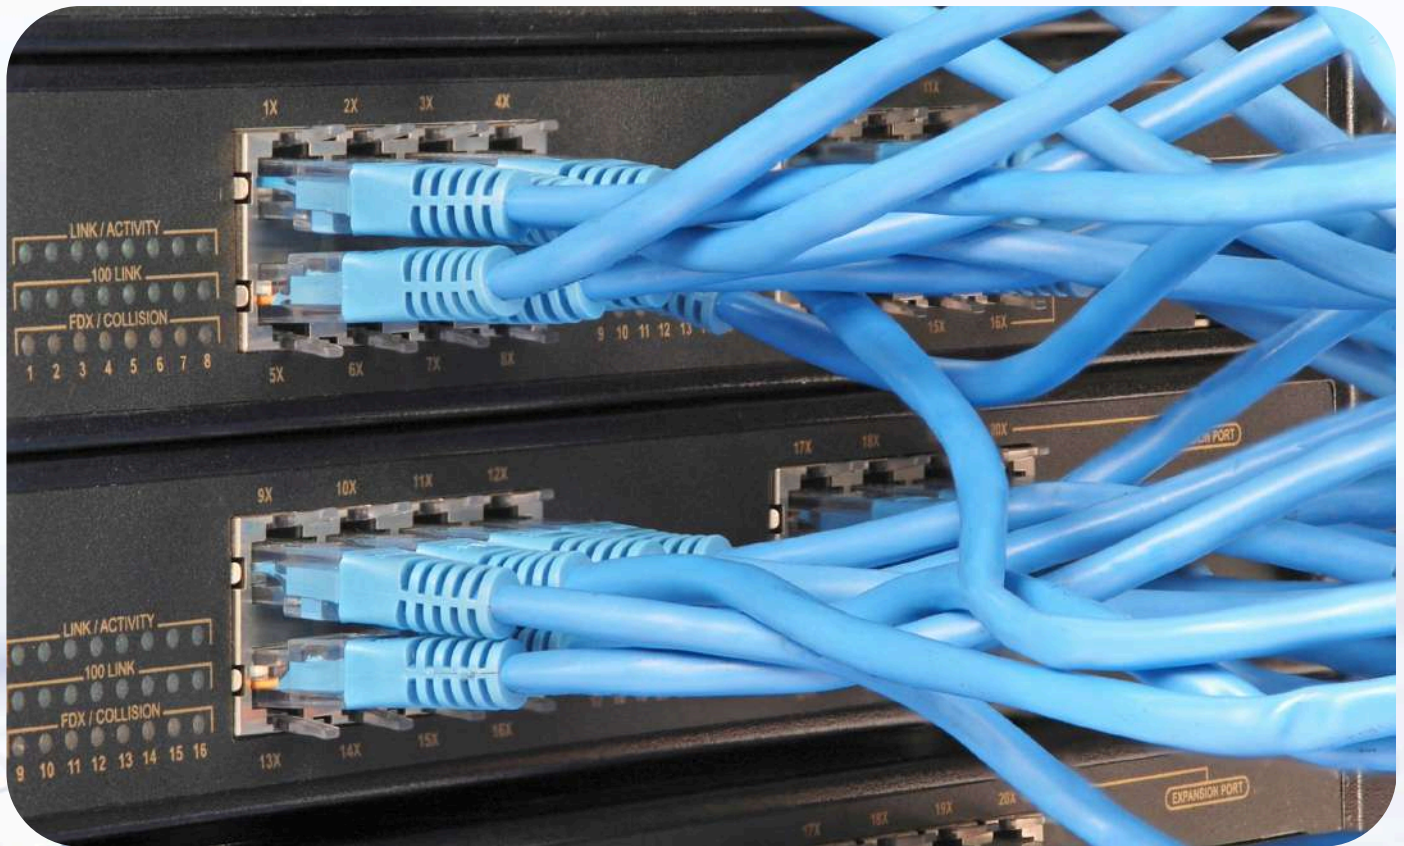

Our experienced technical team implements a security plan with an expanding array of surveillance solutions to help you secure your assets.

NETWORKS

Networks

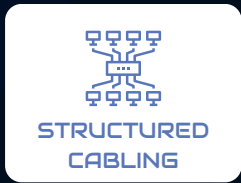

FederalTec provides a full-service solution for all network requirements from small to large-sized companies, with the support you need to run your business with the highest degree of efficiency and network uptime.

We plan and implement your network with future upgrades and relocation in consideration and provide quick responses for any future troubleshooting of network issues.

STRUCTURED CABLING

FederalTec Technologies focuses on the design and installation of structured cabling systems with a prominence on new or relocating corporate or home.

Structured Cabling is a single flexible cabling infrastructure that provides the critical backbone of a communication system which includes PCs, TVs, phones, and other services that may be present

AUDIO VISUAL

FederalTec offers Audio Visual (AV) systems installation and repair services in Dubai & UAE for large auditoriums, schools, hotels, and more.

Our advanced AV solutions ensure that your presentations, conferences, and events captivate your audience and leave a lasting impression.

We assist you with complete AV system configuration from digital display and projection setup to video conferencing integration and multimedia solutions plus comprehensive installations and maintenance.

ACCESS CONTROL

Access Control

FederalTec supports you with the Installation of any smart lock which Includes removal of the current lock and installation of new hardware as per your requirements.

We ensure the Door Lock which is compatible with your GRMS system.

Our Door locks installation and configuration are IOT based and include RFID technology in order to ensure that only the permitted people are accessing a certain room.

BACKGROUND MUSIC SYSTEMS

Federaltec offers comprehensive Background Music (BGM) system installation and repair services across Dubai & UAE, ideal for hotels, restaurants, schools, retail outlets, and more.

Our expertly engineered BGM solutions create the perfect ambiance for your venue, ensuring every space resonates with the ideal atmosphere whether you're hosting a corporate event, enhancing a dining experience, or setting a welcoming tone for your business.

HOME AUTOMATION

Federaltec offers cutting-edge Home Automation installation and repair services, tailored to transform your living space into a smart, efficient haven.

Our innovative home automation solutions integrate lighting, climate control, security, and multimedia systems into a seamless, user-friendly interface—ensuring that your home is always connected, secure, and energy-efficient.

Federaltec provides expert configuration, professional installation, and reliable maintenance services to meet your unique needs.

GATE BARRIER

Gate Barrier

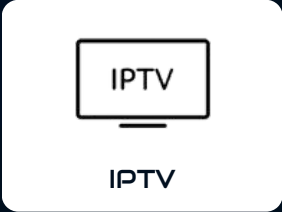

At Federal Tec, we provide advanced gate barrier systems designed for optimal security and efficiency.

Our solutions include:

- Gate Automation: Seamless operation with reliable automated systems.
- Road Barriers: High-performance barriers for traffic control and secure access.
- Custom Solutions: Tailored systems to meet specific site requirements.

FederalTec Technologies is a market leading provider of IPTV technology & Configuration in the UAE.

IPTV is your guest entertainment tool that makes the hotel guest feel he is at home, enables him to watch his favorite TV channels, and cast his own content on a large screen at the comfort of pressing a button.

FederalTec dedicated skilled resources to help you install and configure the IPTV solution components.

At Federal Tec, we empower businesses to embrace the future with innovative cloud solutions tailored to their needs. Our comprehensive Cloud Services include:

Cloud Connectivity: Fast and reliable integration for seamless operations.

Cloud Migration: Smooth transitions to the cloud with minimal disruption.

Managed Security: Advanced protection for your cloud environment.

BOLLARDS

Bollards

FederalTec offers installation and supply of SIRA-approved bollards for a wide range of applications, including malls, banks, gas stations, luxury shops, and traffic control.

Our bollards are designed to provide optimal security and protection in high-risk areas.

Our steel bollards are engineered for durability and resilience, ensuring long-term performance in various environments.

LED COMMERCIAL DISPLAYS

LED Commercial
Displays

FederalTec Technology offers premium LED commercial displays designed to enhance your business's visual communication.

Our cutting-edge screens deliver stunning image clarity, vibrant colors, and unmatched durability, making them ideal for retail stores, corporate offices, restaurants, and event spaces. Engineered for seamless integration and 24/7 operation, LED displays provide a reliable solution for digital signage, interactive displays, and promotional content.

TELEPHONY

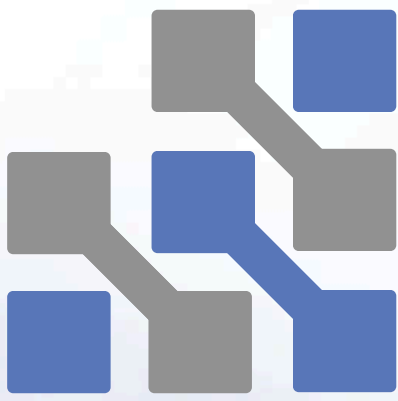

We offer Traditional or IP telephony solutions to fit your organization, whether small or big.

We have industry-oriented specialized solutions for configuring your telephony with less potential downtime, and higher reliability.

Telephone systems provide a way for you to extend common voice communication services to all of your employees/users in your workspaces– on the main location, at branch offices, remote, or mobile.
